08/14/2015		MINUTE ORDER: Plaintiff's Reply <u>32</u> in support of his MOTION for Partial Summary Judgment <u>24</u> does not comply with LCvR 7(h), which does not provide for the filing of an "Additional Statement of Material Facts" accompanying a reply brief. Rather than striking Plaintiff's "Additional Statement of Material Facts" and directing Plaintiff to refile his reply brief, the Court believes that it would be in the interests of justice to order rebriefing of both parties' motions for summary judgment. In rebriefing their summary judgment motions, the parties are reminded to comply fully with LCvR 7(h), which only permits a statement of material facts as to which a moving party contends there is no genuine issue to be filed with a motion for summary judgment. Additionally, in light of the fact that the parties are seeking summary judgment on the same issue, rather than filing simultaneous cross-motions for summary judgment, (i) Defendant will first file its motion for summary judgment; (ii) Plaintiff will then file his opposition and COMBINED cross-motion for partial summary judgment; (iii)

		Defendant will then file its reply and COMBINED opposition; and (iv) Plaintiff will then file his reply. The parties are also directed to file a joint proposed briefing schedule reflecting the sequential briefing set forth above, with an accompanying proposed scheduling order, by 8/21/15.
